## **TRAVELINMELODY Project :**

**TRAVELINMELODY** project consist in :

- Recording musicians and artists all around the world
- Using music to create sharing between cultures and arts
- Building a strong community of artists with same ideal of sharing.
- Editing Professional artistic vidéos of traveling experiences and live music
- Making link between arts such as Dance, Martial arts, Painting, Sculpture, Tattoo, Photography, Parkour and every art.

Since the beginning of the project in 2014, I've been recording and teaching in many local places and musicians but also :

**-Bandung STSI University (Java):** teaching Flute students and sharing experience with teachers.

**-University of Salatiga, Java :** Teaching students improvisation and sharing experience with teachers and director.

**-Batu Arang/Malaysia, Positive living community :** Working with Myanmar refugees helping with music teaching, Healing with music experience.

**-Pengak Men Mersi Kesiman in Denpasar** with Gamelan Suling Gita Semara : documentary in 5 parts and sharing experience with musicians and dance choregraph.

**-Kali Majapahit martial art School in Singapore :** documentary

**-Yamakazis,** founders of **Parkour** : documentary and artistic vidéo performance between music and Parkour.

**-University of Phnom Penh :** Teaching local flute students, artistic video project with the Painting Class teachers.

**-University of Sarawak/Malaysia :** Workshop with local video/graphism art students.
